Dear Chef Peck:

Please accept this letter of introduction. I am Michael Ferreira. I have heard great things about your catering events. I strongly believe my international background, fluency in five languages, extensive international culinary experiences, and my successful management experience will be of benefit to your fine company. A strong culinary passion allowed me to experience successful steady growth in my own gourmet catering businesses as a Chef and Owner/Operator.

With your help, I could take my own experiences to the next level as a Catering Chef. While I provide you with the know how to deliver on all your promises to your guests. I truly believe, I am a great performer under pressure having passed all the tests in the trenches. My driving passion has given me the fuel to get all the know how I have needed. So far though, I have not had an opportunity to be mentored by a great executive chef.

While I am being mentored, I will be the rock that you can rely on whenever you need to. I live and breathe the gourmet lifestyle. I was able to do this as a result of a former successful career as a manager/owner for eight years. You may also find useful, my sales background and my fluency in five languages. However, I was born to follow my passions in your kitchen regardless of how skinny I will get not dining out so much any more.

If I can please the wealthy socialites of Manhattan, NY as a Personal Chef, then I can please anybody you cater to. You are my first choice because I also believe, "The beauty is in the details." Please call me for an immediate interview. I am available anytime.

Sincerely,

Michael Ferreira
